Sommario/riassunto

Praise for previous editions: "An excellent resource for both student midwives and qualified staff alike." (Alison James, Midwifery Lecturer, Plymouth University) ""A lovely book with a lot of practical advice and easy to navigate. (Jayne Samples, Midwifery Lecturer, University of Huddersfield) This fully revised and updated third edition of The Midwife's Labour and Birth Handbook is a practical and accessible guide to midwifery care. It addresses important questions such as: Why are women being pressured
