Observations on State-Family Relations in the Reform Period -- APPENDIX. Texts of the "Decree Regarding Marriage" and the 1950 Marriage Law -- NOTES -- BIBLIOGRAPHY -- INDEX
Sommario/riassunto	In 1950, China's new Communist government enacted a Marriage Law to allow free choice in marriage and easier access to divorce. Prohibiting arranged marriages, concubinage, and bigamy, it was one of the most dramatic efforts ever by a state to change marital and family relationships.
