Outlining a clear and detailed framework, this book is designed to help leaders re-design their organisation from the bottom up by leveraging their strengths to create a new competitive advantage in the digital economy. From laying the foundations of transformation: developing a considered strategy, growing a conducive culture and building a receptive organisational design; to building core digital capabilities: taking advantage of data, harnessing artificial intelligence and embracing appropriate platforms; to adapting the accelerators of change: navigating board expectations, mitigating potential roadblocks and making the right investments, this playbook will give you the tools and mindsets needed to not only survive but to thrive and leave a legacy for future leaders.
