structured and balanced federal system / Troy E. Smith -- Conclusion :  
managing complex problems in a compound republic / Paul L. Posner  
and Timothy J. Conlan.

---

Sommario/riassunto

"Defines an agenda for improving the performance of America's  
intergovernmental system. Looks at the current state of  
intergovernmental relations, analyzes the system's fiscal  
underpinnings, and identifies principal tools to define  
intergovernmental management. Applies these themes to critical policy  
areas such as homeland security, education, welfare, health care, and  
the environment"--Provided by publisher.
