

1. Record Nr.	UNINA9910818111803321
Autore	Curtis Greg <1950->
Titolo	Moving beyond busy : focusing school change on why, what, and how / / Greg Curtis ; foreword by Jay McTighe
Pubbl/distr/stampa	Bloomington, Indiana : , : Solution Tree Press, , [2020] 2020
ISBN	1-947604-58-9
Descrizione fisica	1 online resource (xv, 138 pages)
Collana	Gale eBooks
Disciplina	371.207
Soggetti	School improvement programs - United States Educational change - United States Education - Aims and objectives - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	chapter 1. Why : identifying problems with the traditional approach to change -- chapter 2. What : realigning thought and action -- chapter 3. How : putting impacts at the center -- chapter 4. How : assessing for impacts -- chapter 5. How : designing systems around impacts -- chapter 6. How : facilitating change.
Sommario/riassunto	"In the book Moving Beyond Busy, author Greg Curtis fights back against the current meaningless busywork of change and aims to reinvigorate the process through a new system of pinpointed learning goals and strategies he has named the Input-Output-Impact (IOI) framework. With a deep understanding of the current state of change in schools, the author questions why so little progress is made towards the actual completion of change. The answer, he notes, is that the process of change in the school must be restructured. Effective change is centered on three questions - why, what, how. With these questions in mind, the author offers the IOI framework as a means of providing the answers and transitioning to the implementation of change. Using this book, readers will be able to move past the endless busywork of change and achieve the changes they desire in their school"--
