Sommario/riassunto	Written for use in play therapy and child counseling courses, this extraordinarily practical text provides a detailed examination of basic and advanced play therapy concepts and skills and guidance on when and how to use them. Kottman's multitheoretical approach and wealth of explicit techniques are also helpful for clinicians who want to gain greater insight into children's minds and enhance therapeutic communication through the power of play. After a discussion of the basic concepts and logistical aspects of play therapy, Kottman illustrates commonly used play therapy skills and more advan
