Sommario/riassunto	In the tidy town of Appleton, things are just so. Men are men, women are women, and vegetables are not cake ... and that's the way it's always been. That is, until prodigal daughter Penny returns from the big smoke to set up shop as the local GP. Penny never much cared about the potato race, but when she discovers that the men's prize is five times more than the women's, she suddenly does care. A lot. And she's determined to do something about it.
