Agricultural Land Redistribution and Land Administration in Sub-Sommario/riassunto Saharan Africa: Case Studies of Recent Reforms focuses on ""how"" to undertake land reforms in Sub-Saharan Africa, but with relevant lessons for other developing countries. It provides details, with case studies, on how reforms were undertaken to address a pressing and controversial development challenge in Africa - land ownership

inequality - and an intransigent development issue - inefficiency and corruption in land administration. An equally important contribution of

the book is assessing reforms and highlighting valuable lesso
