

1. Record Nr.	UNINA9910459879303321
Autore	Ehret Christopher
Titolo	History and the testimony of language [[electronic resource] /] / Christopher Ehret
Pubbl/distr/stampa	Berkeley, : University of California Press, c2011
ISBN	1-283-27732-8 9786613277329 0-520-94759-2
Descrizione fisica	1 online resource (289 p.)
Collana	The California world history library ; ; 16
Disciplina	907.2
Soggetti	History - Methodology Language and history Social history Electronic books. Africa History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Frontmatter -- Contents -- Illustrations -- Acknowledgments -- PART ONE. Evidence and Method -- PART TWO. Applications -- APPENDIX ONE. Outline Classification of Afrasian (Afroasiatic): diagnostic branch innovations -- APPENDIX TWO. Proto-Afrasian and Proto-Erythraic subsistence -- APPENDIX THREE. development of nilo-saharan Lexicons of Herding and Cultivation -- APPENDIX FOUR. interpreting the Ethiosemitic Cognation Matrix -- APPENDIX FIVE. Cushitic Loanwords in Ethiosemitic Core vocabulary -- Index
Sommario/riassunto	This book is about history and the practical power of language to reveal historical change. Christopher Ehret offers a methodological guide to applying language evidence in historical studies. He demonstrates how these methods allow us not only to recover the histories of time periods and places poorly served by written documentation, but also to enrich our understanding of well-documented regions and eras. A leading historian as well as historical linguist of Africa, Ehret provides in-depth examples from the language phyla of Africa, arguing that his comprehensive treatment can be applied by linguistically trained

historians and historical linguists working with any language and in any area of the world.

2. Record Nr.	UNINA9910818344303321
Titolo	Cancer of the nervous system // [edited by] Peter M. Black, Jay S. Loeffler
Pubbl/distr/stampa	Philadelphia : , : Lippincott Williams & Wilkins, , [2005] ©2005
ISBN	1-4511-6546-3
Edizione	[Second edition.]
Descrizione fisica	1 online resource (882 p.)
Altri autori (Persone)	BlackPeter McL LoefflerJay S
Disciplina	616.99/48
Soggetti	Central nervous system - Diseases Cancer
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
