Descrizione fisica	1 online resource (207 pages)
Collana	Routledge research in education
Disciplina	306.483
Soggetti	Sports - Social aspects Sports - Religious aspects Physical education and training - Social aspects Physical education and training - Religious aspects Social justice
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	"This interdisciplinary collection explores the nexus of social justice and sport to consider how sport and physical education can serve as a unique point of commonality in an era of religious, political, economic, and cultural polarity. Originally published as a special issue of Quest, Sport, Physical Education, and Social Justice offers timely theoretical perspectives from the fields of theology, philosophy, psychology, and sociology. The volume demonstrates the multiple ways in which sport can be used to overcome inequalities and marginalization relating to gender, race, disability, religion, and sexuality, and posits sports education as a powerful mechanism for addressing school-based issues including bullying, racism, and citizenship education. Truly international in scope, the text includes contributions from scholars addressing issues in both formal and in-formal sports education

settings, communities, and locales. Sport, Physical Education and Social Justice will be of interest to researchers, scholars, policy makers and advocates in the fields of Education, Psychology, Sociology, and Religious Studies"--
