Sommario/riassunto

Despite the fact that nationalism and its national projects have in recent years been severely criticised by postcolonial theorists for being fundamentalist and essentialist; by feminists for being patriarchal and exclusive; by global financial institutions for being antagonistic to development and globalisation; by Pan-Africanists for being anticontinental unity; and by those Africans born after decolonisation for being irrelevant; Sabelo J. Ndlovu-Gatsheni and Finex Ndhlovu's book convincingly argues that nationalism has defied its death and displayed remarkable resilience and resonance. Sin
