Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"A Quadrant Book."
Nota di bibliografia	Includes bibliographical references (pages 159-177) and index.
Nota di contenuto	The Florida Everglades: an entangled landscape -- The queen of the Everglades -- Landscape ethnography and the politics of nature -- The notorious Ashley gang -- Earth, fire, and flesh: territorial refrains -- The theatrics of Everglades outlaws -- The travels of snakes, mangroves, and men -- The gang vanishes into the mysterious swamp -- Searching for paradise in the Florida Everglades -- The story doesn't end with the ambush on the Sebastian River bridge -- Alligator conservation, commodities, and tactics of subversion.
Sommario/riassunto	Drawing on a decade of fieldwork with hunters in the Everglades, this book explores the lives and labours of people, animals, and plants in this most delicate and tenacious ecosystem. Today, the many visions of the Everglades have become a tangled web of contradictory practices and politics for conservation and for development. Yet within this entanglement, the place of people remains highly ambivalent. It is the role of people in the Everglades that this book focuses on.
