| Sommario/riassunto      | "Organized around key themes of inquiry including heterosexualities across the life course, straight identities and their intersections, the power of straightness in state politics, and the changing meaning of heterosexualities in the context of sexual fluidity, this collection provides readers with an introduction to Critical Heterosexualities Studies through important theoretical statements, key historical studies, and current empirical research. Featuring both classic works and original essays written expressly for this volume, this collection provides a state-of-the-art overview of this exciting new field in sexualities studies"-- |
