The South Place Ethical Society lectures and related writings, 1932-1938 / John A. Hobson. Sommario/riassunto John A. Hobson is widely recognised as the most important British New Liberal thinker of politics and political economy of the twentieth century. The Selected Writings of John A. Hobson showcases an exciting and previously unpublished collection of Hobson's writings and lectures from 1932-1938 that Hobson presented at the South Place Ethical Society in the last decade of his life. The lectures and the introduction produce a fresh reading of Hobson's thinking and theorization of International Relations, thereby revealing a much more complex thinker
