Sommario/riassunto	In an era when the value of the humanities and qualitative inquiry has been questioned in academia and beyond, Making the Case is an engaging and timely collection that brings together a veritable who's who of public address scholars to illustrate the power of case-based scholarly argument and to demonstrate how critical inquiry into a

specific moment speaks to general contexts and theories. Providing both a theoretical framework and a wealth of historically situated texts, *Making the Case* spans from Homeric Greece to twenty-first-century America. The authors examine the dynamic interplay of
