Sommario/riassunto	Louise Michel was born illegitimate in 1830 and became a schoolmistress in Paris. She was involved in radical activities during the twilight of France's Second Empire, and during the Franco-Prussian War of 1870 and the siege of Paris. She was a leading member of the

revolutionary groups controlling Montmartre. Michel emerged as one of the leaders of the insurrection during the Paris Commune of March-May 1871; and French anarchists saw her as martyr and saint - The Red Virgin.
