Sommario/riassunto	Written by four recognized experts with senior experience in research and government, this text is the first comprehensive survival kit for students and practitioners of economic policy. It is set to become an indispensable resource for everyone involved or interested in modern economic policy. Academic scholars willing to engage in policy discussions and students at graduate or advanced undergraduate levels will find it an essential bridge to the policy world. What makes the book unique is that it combines like no other, facts-based analysis, state-of-the-art theories and models, and insights
