Sommario/riassunto	"Alec MacLean returns home after a decade to find his recently deceased father has let his inheritance fall to ruin. As the new laird, it's Alec's responsibility to rebuild the castle and restore the lands. He must also regain the people's trust ... Celia escaped the North Berwick witch trials at a young age, surviving because of the sacrifice of her beloved caretaker. She's made a life for herself in the wilds of Scotland where no laird rules ... Together, they will face all challenges, from the tangle of their own damaged pasts to the fire-fueled witch hunts sweeping the Isle of Mull."--Publisher's website.
