Sommario/riassunto	""An outstanding collection that will be both a guide for students and a stimulus to scholars. Elizabeth Radcliffe and her distinguished contributors cast fresh and clarifying light on each of the many topics they address."" -Kenneth Winkler, Yale University ""Elizabeth Radcliffe has achieved a remarkable feat of editorial organization. This will be a major reference resource for those who want to see the main directions in which Hume studies are currently heading. Topics are well chosen. Contributors range from some of our most distinguished senior scholars to talented recruits from the ris
