Sommario/riassunto	Though diverse, the Arab world boasts a unique culture and native language, both of which are unlike those found in English-speaking countries. Perhaps due to the nature of these differences, Arab-Western relations have been described as existing on one of the world's great cultural fault-lines. Debate about the potential effects, both positive and negative, of English-medium education and the learning of English in the region's schools and universities is one expression of this. Even as deba...
