

1. Record Nr.	UNINA9910818925503321
Titolo	Cancer consult : expertise for clinical practice // edited by Syed A. Abutalib, Maurie Markman
Pubbl/distr/stampa	Hoboken, New Jersey : , : Wiley-Blackwell, , 2014 ©2014
ISBN	1-118-58917-3 1-118-58919-X 1-118-58916-5
Descrizione fisica	1 online resource (987 p.)
Disciplina	616.99/40076
Soggetti	Cancer Stem cells - Transplantation Oncology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	Cover; Dedication; Title page; Copyright page; Contents; List of Contributors; Preface; SECTION 1: Malignant Hematology and Hematopoietic Cell Transplantation; PART 1: Acute Lymphoblastic Leukemia in Adults; CHAPTER 1: Diagnosis of acute lymphoblastic leukemia; Selected readings; Case study answers; CHAPTER 2: Prognostic markers and models in acute lymphoblastic leukemia; Pretherapeutic prognostic markers; Age; White blood cell count; Cytogenetic and genetic markers; Immunophenotype; Pro-B-ALL/t(4; 11); Common and pre-B-ALL; T-lineage ALL; Response parameters Stratification into risk groups Selected reading; CHAPTER 3: Management of B-cell acute lymphoblastic leukemia; Selected reading; CHAPTER 4: Management of T-cell acute lymphoblastic leukemia; Selected reading; CHAPTER 5: Minimal residual disease in acute lymphoblastic leukemia; Case study answers; Selected reading; CHAPTER 6: Hematopoietic cell transplantation in adult acute lymphoblastic leukemia; Multiple choice and discussion questions; Selected reading; Multiple choice answer; Case study answer; PART 2:

Acute Myeloid Leukemia in Adults

CHAPTER 7: Prognosis in acute myeloid leukemia: cytogenetics and beyond Selected reading; Case study answers; CHAPTER 8: Induction therapy in acute myeloid leukemia; Selected reading; Case study answers; CHAPTER 9: Consolidation therapy in acute myeloid leukemia; Selected reading; CHAPTER 10: Management of acute promyelocytic leukemia; Selected reading; CHAPTER 11: Minimal residual disease in acute myeloid leukemia; Selected reading; CHAPTER 12: Relapsed and refractory acute myeloid leukemia; Multiple choice questions; Selected reading; Case study answers; Multiple choice answers
CHAPTER 13: Hematopoietic cell transplantation in acute myeloid leukemia Multiple choice question; Case study answers; Multiple choice answer; Selected reading; PART 3: Myelodysplastic Syndromes and Related Disorders; CHAPTER 14: Pitfalls in the diagnosis of myelodysplastic syndromes; Selected reading; Case study answers; CHAPTER 15: Cytogenetics and prognostic models in myelodysplastic syndromes; MDS cytogenetics and prognosis; Conclusion; Selected reading; CHAPTER 16: Management of myelodysplastic syndromes; Selected reading; CHAPTER 17: Management of therapy-related myeloid neoplasms
Introduction Multiple choice questions; What is the most appropriate treatment for the following patients?; Selected reading; Multiple choice answers; CHAPTER 18: Hematopoietic cell transplantation in myelodysplastic syndromes; Selected reading; CHAPTER 19: Acquired aplastic anemia; Selected reading; Case study answers; PART 4: Myeloproliferative Neoplasms; CHAPTER 20: Diagnostic approach in myeloproliferative neoplasms; Introduction; Selected reading; CHAPTER 21: Chronic myeloid leukemia: chronic phase; Introduction; Multiple choice and discussion questions; Selected reading
Multiple choice answer

Sommario/riassunto

The field of oncology benefits from several large-scale reference books and a host of monographs dedicated to specific cancers. However, truly excellent practice and review books are, surprisingly, quite scarce. Outside of a scant handful of books and online reference tools that offer clinical response practice and board review in a basic question and answer format, there are no resources that offer a robust, engaging, fully referenced tool for these vital activities in every oncologist's and oncology trainee's work. This print and electronic book seeks to fill that void, offering comprehensive
