Sommario/riassunto	In this ground-breaking book, best-selling author and former U.S. Navy SEAL Dick Couch reports on the actions of the SEAL Task Unit during the Battle of Ramadi in Iraq's al-Anbar Province between 2005 and 2007. When he began his research, the author thought he would be writing about the SEALs' courage in the face of a losing cause. Instead, he discovered a startling success story whose importance has gone unrecognized in the war against al-Qaeda. Couch argues that the lessons of Ramadi, with SEALs fighting alongside regular forces in an urban war zone, call for using this strategy more widely.

Sommario/riassunto	""His Words were Nourishment and his Counsel Food"": A Festschrift for David W. Holton brings together essays on Greek literature from medieval romances to postmodern fiction. It provides an illuminating first insight into the variety of Modern Greek literature for the general reader, while also catering to more specialised students and scholars

with new research findings and close studies of individual texts. The editors and authors, all former doctoral students of Professor Holton at Cambridge...
