| Sommario/riassunto | David Warren Sabean was a pioneer in the historical-anthropological study of kinship, community, and selfhood in early modern and modern Europe. His career has helped shape the discipline of history through |

his supervision of dozens of graduate students and his influence on countless other scholars. This book collects wide-ranging essays demonstrating the impact of Sabeian's work has on scholars of diverse time periods and regions, all revolving around the prominent issues that have framed his career: kinship, community, and self. The significance of David Warren Sabeian's scholarship is reflec
