Sommario/riassunto

Gain an understanding of the increased role religious congregations now play in providing social support to the elderly. Religious congregations and faith-based organizations (FBO) from the Jewish, Christian, and Islamic traditions have worked on behalf of older adults for centuries. But the initiation of President Bush's Office of Faith-Based Initiatives has raised many questions from both the traditional secular and sectarian services as well as many nontraditional services found in each community. Faith-Based Initiatives and Aging Services addresses the issues of the separation of
