Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	section 1. Intergenerational relationships in families -- section 2. Intergenerational relationships in communities -- section 3. Concluding discussion.
Sommario/riassunto	Understand how multigenerational family relationships can benefit all generations! Intergenerational Relationships: Conversations on Practice and Research Across Cultures focuses on how family and community relationships are affected by pressing social problems. Respected international authorities reveal how cultures from Africa, Asia, the US, and Europe value connections among people of different ages and how these relationships are used to address crucial social problems. Insightful research bridges multiple disciplines to provide a unique perspective demonstrating the benefits of
