Sommario/riassunto	Mark Thurner here offers a brilliant account of Peruvian historiography, one that makes a pioneering contribution not only to Latin American studies but also to the history of historical thought at large. He traces the contributions of key historians of Peru, from the colonial period through the present, and teases out the theoretical underpinnings of their approaches. He demonstrates how Peruvian historical thought critiques both European history and Anglophone postcolonial theory. And his deeply informed readings of Peru's most influential historians--from Inca Garcilaso de la Vega to Jorge
