Sommario/riassunto

Providing a survey of colonial American history both regionally broad and "Atlantic" in coverage, *Converging Worlds* presents the most recent research in an accessible manner for undergraduate students. With chapters written by top-notch scholars, *Converging Worlds* is unique in providing not only a comprehensive chronological approach to colonial history with attention to thematic details, but a window into the relevant historiography. Each historian also selected several documents to accompany their chapter, found in the companion primary source reader.
