Sommario/riassunto

The Future of Christian Theology represents a personal manifesto from one of the world's leading theologians, exploring the ways Christian theology in the twenty-first century has been, and can now continue to be, both creative and wise. Represents an outstanding and engaging account of the task of theology today Offers an insightful description of what makes for discerning and creative theology. Written from the perspective of decades of experience, and in close dialogue with theologians of other faiths
Features a strong interfaith and public theo
