Nota di contenuto	Religion in conflict -- Why individuals matter -- Faith-based actors -- Secular technocrats -- Emancipating women -- Doubting professionals -- Ambivalence and ambiguity -- Epilogue: an activist's comments.
Sommario/riassunto	This study explores various ways in which religious beliefs, ritual practices and dynamics of belonging impact on the politics of Muslim peace activists in Gujarat, and traces how their activism in turn transforms their sense of being. It challenges popular notions about Muslims in India and questions ill-conceived research designs in the sociology of religion.
