1.

Town, South Africa, tracks the progress Africa has made in achieving the United Nations' Millennium Development Goals (MDGs) since 2000. Thirteen analytical chapters written by scholars and practitioners with expertise in the various areas covered by the eight MDGs are organized around the larger themes of political economy, structural issues, sustainable goals, and human development goals. They critically assess the progress that Africa has made towards the achievement of the MDGs, discuss how to accelerate that progress, and
