Rorty -- Jean-Jacques Rousseau -- Bertrand Russell -- Gilbert Ryle --
George Santayana -- Jean-Paul Sartre.

Sommario/riassunto

Great Thinkers, A-Z brings together short, accessible snapshots of the people who have shaped Western thought from the ancient Greeks to today. The snapshots, written by the world's leading experts, describe a major thinker's life and work with suggestions for further reading on each one. Covering philosophers as well as cultural and scientific thinkers - such as Foucault, Darwin, Einstein and Freud - who have had a major impact on philosophy, Great Thinkers, A-Z is the ideal book for anyone interested in the history of ideas and in contemporary thought.
