Sommario/riassunto	What does home education involve? What are the advantages and disadvantages? How can you decide whether it is right for your child? If it is right, how do you go about it? And where can you go for help, advice for information. This practical self-help book for parents provides a one-stop resource for parents contemplating or embarking on home education with their children. This book:--helps parents to decide if home education will work for their family--provides information on the first steps to home education and answers parentsÆ most common questions--provides guidance as to subjects and cur
