Sommario/riassunto	How does the Iraq War affect the future world order? And what kinds of problems has this war brought about, and what is needed to remedy these problems, so as to reconstruct an order in Iraq and beyond? This present volume is a collection of essays exploring these issues, written by leading scholars in their respective fields. Importantly, the Iraq War has caused numerous long-term security and economic problems in Iraq (Chapter 1) and in the Middle East (Chapter 2). In addition, this war represents a failure of the Western liberals' project of establishing a liberal market democracy, and thes
