Beelaerts van Blokland, Sicco C. Santema, Aimé Heene, Tim de Jong, Niek Elferink -- Industry segment effects and firm effects on firm performance in single industry firms / Noël Houthoofd, Jef Hendrickx.

Sommario/riassunto

This volume focuses on Competence Perspectives on New Industry Dynamics. Research in Competence-Based Management (RCBM) is a peer-reviewed title for the publication of papers that extend current competence-based management (CBM) theory, propose new additions to CBM theory, suggest new directions for CBM theory development, and/or apply CBM theory in research on management issues and topics.
