Sommario/riassunto	This is the first in-depth reconstruction of a major British decolonization based fully on original documentation. Robert Holland's unique case-study is essential reading for anybody interested in the response of policy makers to the challenge of 'terrorism' overseas after 1945, the liquidation of the British Empire, the breakdown of ethnic co-existence under intense pressure, and the effects of regional destabilization on the wider international system. - ;This is the first in-depth reconstruction of a major British decolonization based fully on original documentation. Charting the `inner his
