Sommario/riassunto	Myths have long been considered the prime linkage between nature and culture, but we hold that they are more than this. The mythogene, which is our conceptualization of a connecting structure, links subject and object, history and transcendence, but above all is the blueprint for creativity. The volume deals, therefore, with the innovative conception of the author as to the process of creativity. Van Gogh had a revelation as to how the whirling cypresses and dancing stars would look at night....
