## Sommario/riassunto

Hauptbeschreibung As a consequence of the ongoing globalization, more and more corporations start to target an international audience. Accordingly, consumers have to deal with a rising number of product offers. When trying to filter only relevant information which are interesting for themselves, consumers have to decrypt at the same time what is the meaning behind the different advertising messages circulating in daily life. Consequently, it is comprehensible that people become more and more stressed as well as angry nowadays. In order to get a better understanding of contemporary c

#### Sommario/riassunto

This book highlights school/university partnerships, specifically Professional Development Schools' focus on collaborative activities that endeavor to promote social justice in and across P-12 and university classrooms, educational institutions, and communities. The chapters provide concrete examples of instructional and curricular methods used to engage all the stakeholders within a Professional Development School model -university educators, school leaders, teachers, and teacher candidates- with social justice ideals.
