Sommario/riassunto	Renowned historical sociologist Charles Tilly wrote many years ago that "banditry, piracy, gangland rivalry, policing, and war-making all belong on the same continuum." This volume pursues the idea by revealing how lawbreakers and lawmakers have related to one another on the shadowy terrains of power over wide stretches of time and space. Illicit activities and forces have been more important in state building and state maintenance than conventional histories have acknowledged. Covering vast chronological and global terrain, this book traces the contested and often overlapping boundaries betw
