West / Pino, Tikhon Alexander -- Pletho, Scholarios and Arabic philosophy / Steiris, Georgios -- Selected Bibliography -- Index

Sommario/riassunto

This volume explores the theme of Latin and Greek mutual learning, intellectual and cultural interchange in the final age of Byzantium (1261-1453), challenging received conceptions of East and West as clearly delineated ideological categories. The reception of Thomas Aquinas and Western scholasticism receives emphasis, but also other forms of philosophical and theological frames of reference that have had lasting repercussions.
