Sommario/riassunto	What was the first jazz record? Are jazz solos really improvised? How did jazz lay the groundwork for rock and country music? In Why Jazz?, author and NPR jazz critic Kevin Whitehead provides lively, insightful answers to these and many other fascinating questions, offering an entertaining guide for both novice listeners and long-time fans. Organized chronologically in a convenient question and answer format, this terrific resource makes jazz accessible to a broad audience, and especially to readers who've found the music bewildering or best left to the experts. Yet Why Jazz? is much more than
