Sommario/riassunto	How do you sufficiently progress beyond the status quo when an entire rural community views the status quo as sufficient progress? Educating children in poverty remains the most important educational challenge of our time. What few people know is this: the rate of child poverty in our nation's rural communities is actually higher than it is in our country's urban centers. Hardball Leadership is a best practices guide for rural school leaders who are passionate about closing the achievement gap and committed to leading their districts to significant academic improvement.
