Sommario/riassunto

In this indispensable work, prominent authorities review the latest research on all aspects of ELL instruction (K-12) and identify what works for today's students and schools. Provided are best-practice guidelines for targeting reading, writing, oral language, vocabulary, content-domain literacies, and other core skill areas; assessing culturally and linguistically diverse students; and building strong school-home-community partnerships. Chapters include clear-cut recommendations for teaching adolescent ELLs an
