                        Contributors; Participating Experts

   Sommario/riassunto   This booklet offers a snapshot of fiscal federalism in 12 federal
                        democracies. It includes a glossary of country-specific terminology,
                        serving as an entry point to a forthcoming book on the same theme.
                        The booklet series is the fourth in a series created to provide accessible
