Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The emergence of antagonistic identities -- The persistence of cold war antagonisms -- The geopolitical production of danger -- Toward an ethics of dialogue -- Dilemmas of engagement -- Toward an ethics of difference.
Sommario/riassunto	Roland Bleiker suggests profound structural problems within and between the two Koreas that have not been acknowledged until now. Expanding the discussion beyond geopolitics and ideology, Bleiker places peninsular tensions in the context of a struggle over competing forms of Korean identity. Divided Korea examines both domestic and international attitudes toward Korean identity, the legacy of war, and the possibilities for-and anxieties about-unification.
