Sommario/riassunto	Continuum's ""Reader's Guides"" are clear, concise and accessible introductions to classic works of philosophy. Each book explores the major themes, historical and philosophical context and key passages of a major philosophical text, guiding the reader toward a thorough understanding of often demanding material. Ideal for undergraduate students, the guides provide an essential resource for anyone who needs to get to grips with a philosophical text. John Locke's ""Second Treatise of Government"" is one of the most influential texts in the history of political theory. It is a staple of undergrad
