Sommario/riassunto	A new edition of Aristophanes, replacing the previous OCT (1900-1). It incorporates a better picture of the transmission of the text from antiquity, and more accurate reports of manuscript readings. - ;This new edition of Aristophanes is intended to replace the previous Oxford Classical Text published in 1900-1. Since that date it has been possible to construct a far better picture of the transmission of the text from antiquity to the age of printing and to obtain reliable reports of other significant manuscripts. While some of the new information has been taken into account for recent comment
