Sommario/riassunto	Inspired Speech was originally published as a Festschrift to honor the work of Professor Herbert B. Huffmon, Professor of Old Testament/Hebrew Bible at Drew University. Thirty-three of his colleagues and students contributed to the work, which explores various aspects of prophecy in ancient Israel and its neighboring cultures. The result is a volume which provides an excellent overview of the current state and future directions of scholarship on prophecy in the biblical world. Contributors: Suzanne Richard, Frank Moore Cross, George E. Mendenhall, Martti Nissinen, Robert R. Wilson, Mary Chilton
