Sommario/riassunto	Even in those areas of academia which one would consider to be most resistant to white domination (such as critical race theory and multicultural education), both covert and overt racial oppression are apparent. What is the role of white academics in these fields in creating racial oppression? Is there any escape from white supremacy and do white academics have any role in resisting it or are they always complicit? In this book, fictional tropes are used to consider the role of whiteness in ...
