Brook and Cynthia L. King -- The human capital "crisis" in the federal government : a modest proposal / Alan P. Balutis -- The path of reform : challenges and opportunities / Hannah S. Sistare.

Sommario/riassunto

This volume brings together expert insights on the dramatic new direction on human resource management in the public sector. While it focuses on federal government policies and practices, the principles, conclusions, and recommendations translate readily to state and local government, and the private sector.
