Sommario/riassunto	With its lush and diverse landscapes, ancient ruins, and stunning architecture, China is a photographer's dream. Exploring this visually rich and evocative country, Photography and China highlights Chinese photographers and subjects from the inception of photography to the present day. Drawing on works in museums, and archival and private collections across China, the United States, Europe, and Australia, Claire Roberts locates images from commercial, art, and documentary photography within the broader context of Chinese history. She focuses on the images as well as the studi
